In re Application of
Hideki Komatsuda
Application No. 10/687,770
Filed: October 20, 2003
Attorney Docket No. 105193.05

**DECISION GRANTING
PETITION UNDER
37 CFR 1.55(c)**

This is a decision on the petition under 37 CFR 1.55(c), filed June 29, 2004, for acceptance of an unintentionally delayed claim under 35 U.S.C. § 119 (a) - (d) for benefit of the filing date of the following foreign applications: Japan Application No. 10-260170, filed September 14, 1998.

A petition under 37 CFR 1.55(c) to accept an unintentionally delayed claim for priority requires:

- (1) The nonprovisional application claiming the benefit of an earlier filing date must be filed on or after November 29, 2000;
- (2) the claim submitted with the petition must identify the prior foreign application for which priority is claimed, as well as any foreign application for the same subject matter and having a filing date before that of the application for which priority is claimed, by the application number, country, and the filing date;
- (3) the surcharge of \$1,330.00, as set forth in 37 CFR 1.17(t);
- (4) a statement that the entire delay between the date the claim was due under 37 CFR 1.55(a)(1) and the date the claim was filed was unintentional. (The Commissioner may require additional information where there is a question whether the delay was unintentional.); and
- (5) the above-identified nonprovisional application must be filed within 12 months of the filing date of the foreign application.

The instant pending nonprovisional application was filed after November 29, 2000, and did not include a reference to the foreign application, for which benefit is now sought, within the later of four months from the actual filing date of the application or sixteen months from the filing date of the prior foreign application. Therefore, since the claim for priority is submitted after the period specified in 37 CFR 1.55(a)(1)(i), this is an appropriate petition under the provisions of 37 CFR 1.55(c).

The above-identified pending nonprovisional application was filed on October 20, 2003, which is after November 29, 2000. On June 29, 2004, an executed oath/declaration was received which identifies the foreign application for which priority is claimed by application number, country and filing date. The required petition fee of \$1,330.00 was received with the petition. Lastly, petitioner has provided an adequate statement of unintentional delay.

All requirements being met, the petition under 37 CFR 1.55(c) to accept an unintentionally delayed claim for priority under 35 U.S.C. § 119(a)-(d) is **granted**.

A filing receipt accompanies this decision on petition.
